

ANZGOSA PROGRAM Lower third oesophageal and junctional adenocarcinoma		
<b>ANZGOSA - Nursing, dietitian and allied health pre-conference symposium</b>		Moderators: Assoc. Professor Cuong Duong and Dr. Nicole Winter <b>ROOM: ANZGOSA</b>
<b>7.45am - 8.00am</b>	<b>Networking</b>	<b>ROOM: ANZGOSA</b>
<b>8.00am - 8.15am</b>	Improved outcomes with cancer coordination: Current status and evidence base <i>Dr. Nicole Winter</i>	
<b>8.15am - 8.30am</b>	Impact of cancer co-ordination on care: Single institution experience and outcomes <i>Cate Milnes</i>	
<b>8.30am - 8.45am</b>	Unmet needs: Psychology and depression in oesophago-gastric cancer <i>Dr. Prem Chana</i>	
<b>8.45am - 9.00am</b>	Nursing, nutritional, and allied health engagement in surgical societies <i>Nazy Zareshenas</i>	

<b>ANZGOSA Plenary 1 - Challenges in oesophago-gastric malignancy</b>		Moderators: Dr. Iain Thomson and Dr. Tim Bright <b>ROOM: ANZGOSA</b>
<b>9.30am - 9.35am</b>	Introduction <i>Darren Isenberg, Conference MC and Dr. Paul Burton</i>	
<b>9.35am - 9.55am</b>	Framing the problem: Borderline resectable OG cancer and optimal pre-operative treatment <i>Dr. Iain Thomson</i>	
<b>9.55am - 10.30am</b>	Current status of neo-adjuvant therapy: surgical perspective <i>Professor John Reynolds</i>	
<b>10.30am - 11.00am</b>	Role of radiotherapy in lower third oesophageal and junctional adenocarcinoma <i>Professor Trevor Leong</i>	
<b>11.00am - 11.30am</b>	Selecting neo-adjuvant and adjuvant therapies new concepts and personalised treatment <i>Professor Andrew Barbour</i>	
<b>11.30am - 12.00pm</b>	Debulking surgery for GIST <i>Professor John Zalcborg</i>	
<b>12.00pm - 12.30pm</b>	<b>Networking Break, Virtual Exhibition and E-Poster Viewing</b>	<b>ROOM: ANZGOSA</b>
<b>ANZGOSA Plenary 2 - Improving outcomes, new pathways</b>		Moderators: Ross Roberts and Assoc. Professor Cuong Duong <b>ROOM: ANZGOSA</b>
<b>12.30pm - 12.45pm</b>	ERAS protocols: Time for Australian standards? <i>Dr. Richard Chen</i>	
<b>12.45pm - 12.55pm</b>	A 4-tier protocolised radiological classification system for leaks following sleeve gastrectomy <i>Dr. Yazmin Johari</i>	
<b>12.55pm - 1.05pm</b>	Potential utility of circulating tumour dna in the management of oesophageal cancer <i>Dr. Carlos Cabalag</i>	
<b>1.05pm - 1.20pm</b>	Myopenia and myosteatosis: are they ready for incorporation into clinical staging systems? <i>Lisa Murnane</i>	

1.45pm - 2.15pm	<b>Networking Break, Virtual Exhibition and E-Poster Viewing</b>	
1.45pm - 2.00pm	WL GORE Interactive session - How to optimise outcomes and manage the Bariatric patient – pre and post-Operative? <i>Dr. Teresa LaMasters</i>	Chair: Garry Jones, Gore <b>ROOM: ANZMOSS</b>
2.00pm - 2.15pm	Olympus interactive session - Endoscopic treatment of dysplasia and early cancer in Barrett's Oesophagus <i>Professor Rajvinder Singh</i>	Chair: Dr. Jon Shenfine <b>ROOM: ANZMOSS</b>
<b>ANZGOSA Plenary 3 - Oesophagectomy: Technique and physiological understanding</b>		Moderators: Professor Wendy Brown and Professor David Watson <b>ROOM: ANZGOSA</b>
2.15pm - 2.50pm	Physiological and hormonal changes following oesophagectomy <i>Professor Carel Le Roux</i>	
2.50pm - 3.20pm	Oesophageal reconstruction: Optimal conduit design, tips and pitfalls and avoiding problems <i>Dr. Jon Shenfine</i>	
<b>ANZGOSA Keynote Lecture and Panel Discussion</b>		Chair: Mark Smithers <b>ROOM: ANZGOSA</b>
3.30pm - 3.55pm	Neo-adjuvant therapy for oesophageal and junction cancer <i>Professor Florian Lordick</i>	
3.55pm - 4.15pm	<i>Panel: Professor Florian Lordick, Professor John Zalcborg, Professor Trevor Leong and Professor Andrew Barbour</i>	
<b>ANZGOSA Awards</b>		<b>ROOM: ANZGOSA</b>
4.15pm - 4.30pm	Awards	
4.30pm - 5.00pm	<b>ANZGOSA AGM</b>	<b>ROOM: ANZGOSA</b>
4.30pm - 5.30pm	<b>ANZMOSS and ANZGOSA Welcome Reception</b>
